General / Pre-Purchase

Q1. How do I find the right size when buying clothes on Drawnzers?

A: Each product listing on Drawnzers includes a detailed size chart provided by the brand. We display sizes in Indian Standard (XS–XXXL) and international conversions (US, UK, EU) where available. Click 'Size Chart' on any product page. If unsure between two sizes, we recommend ordering the larger one and using our free exchange service.

Q2. Are the product images accurate to the actual colour?

A: We use professional photography under standard lighting. Actual product colour may vary slightly from screen display due to monitor settings. If colour accuracy is critical, we recommend reading customer reviews and viewing multiple product images. Significant colour mismatch (completely different shade) qualifies for a return.

Q3. Can I order a custom size for clothing?

A: Custom sizing is available for select sellers on Drawnzers who offer made-to-measure services. Look for the 'Custom Size Available' tag on the product listing. Custom-sized garments have a 2–4 week delivery window and follow a separate no-return policy (defects excluded).

Q4. Is the clothing on Drawnzers genuine/authentic?

A: Yes. All branded clothing on Drawnzers is sourced from authorized brand distributors and verified sellers. Drawnzers has a strict seller verification process and zero-tolerance policy for counterfeit products. You can verify seller credentials on the product page.

Q5. How do I know if a fabric is suitable for sensitive skin?

A: All product listings display fabric composition (e.g., 100% cotton, polyester blend). Look for the 'Skin-Friendly' or 'Hypoallergenic' tags. Customers with known fabric allergies are advised to check the material composition carefully. If you experience a reaction, contact our support team.

Ordering & Payment

Q6. Can I order multiple sizes of the same product to try at home?

A: Yes. You can order multiple sizes and return the ones that don't fit within 10 days of delivery. Our free pickup return service makes this convenient. Note: Drawnzers reserves the right to limit try-at-home orders if misuse is detected.

Q7. What payment methods are accepted for fashion orders?

A: Drawnzers accepts UPI, Net Banking, Credit Cards, Debit Cards, EMI (No-Cost EMI on orders above ₹3,000), Drawnzers Wallet, and Cash on Delivery (COD) for eligible pin codes and order values.

Q8. Is COD available for all fashion products?

A: COD is available for most fashion products under ₹10,000 at eligible pin codes. High-value items and some seller-specific products may not support COD. COD availability is displayed at checkout.

Q9. Can I use multiple discount coupons on a single fashion order?

A: Typically, only one coupon code can be applied per order. However, Drawnzers Wallet cashback and bank offers can be combined with coupon codes where explicitly mentioned in the offer terms.

Q10. I placed an order but did not receive an order confirmation. What should I do?

A: Check your registered email's spam folder. If not found, log in to the Drawnzers app, go to 'My Orders' to verify if the order was placed. If no order appears and payment was deducted, contact support@drawnzers.in immediately with your payment details.

Delivery

Q11. How long will my clothing order take to arrive?

A: Metro cities: 2–4 business days. Tier 2/3 cities: 4–7 business days. Remote areas: 7–12 business days. Business days exclude Sundays and national holidays.

Q12. Can I change my delivery address after placing a fashion order?

A: Address changes are possible within 1 hour of order placement by contacting customer support. After the order is dispatched, address changes are not possible.

Q13. My order was marked delivered but I haven't received it. What do I do?

A: Report non-receipt within 24 hours of the delivery status update. Contact Drawnzers support via app, email, or phone. We will coordinate with the logistics partner and investigate within 2–3 business days. Do not wait beyond 24 hours to report.

Q14. What happens if I miss the delivery?

A: Our delivery partner will attempt delivery 3 times. After 3 failed attempts, the package returns to our warehouse and your order is cancelled. For prepaid orders, a full refund is issued within 5–7 business days.

Q15. Is express delivery available for fashion products?

A: Yes, express (next-day or same-day) delivery is available for select fashion items in major metro cities. The express delivery option and charges are displayed at checkout. Express delivery is not available for all sellers or pin codes.

Returns & Exchanges

Q16. How do I return a clothing item on Drawnzers?

A: Go to 'My Orders' in the app → Select the item → Click 'Return' → Select reason → Upload photos → Schedule pickup. Our delivery partner will collect the item. Ensure the item has original tags, is unworn, and is in its original packaging.

Q17. I received the wrong size. What do I do?

A: Go to 'My Orders', select the item, and choose 'Exchange' or 'Return'. Select 'Wrong size delivered' as the reason. We will arrange a free pickup and send the correct size. If the size is unavailable, a full refund is issued.

Q18. Can I exchange for a different colour or style?

A: Exchanges are only for the same product in a different size or colour. To get a completely different style, return the item for a refund and place a fresh order.

Q19. My kurta has a stitching defect. Am I eligible for a return?

A: Yes. Manufacturing defects including stitching issues qualify for a return or replacement within 10 days of delivery. Upload a clear photo of the defect while initiating the return.

Q20. Can I return innerwear or socks?

A: No. For hygiene reasons, innerwear, lingerie, and socks are non-returnable unless they are defective or the wrong product was delivered.

Q21. I wore the dress once and it faded after washing. Can I return it?

A: This depends on when and how you washed it. If the product is within the 10-day window and you followed the care instructions on the label, it qualifies as a defect — contact support with photos. If the care instructions were not followed, it may not qualify.

Refunds

Q22. How long does a refund take for a returned clothing item?

A: After successful pickup and quality check (2–3 business days), refunds are processed within 5–7 business days to the original payment method. Drawnzers Wallet refunds are faster (24–48 hours after QC approval).

Q23. I requested a refund but it's been 10 days and I haven't received it.

A: Please check with your bank/payment provider as processing times may vary. If the refund is still not received after 10 business days, contact support@drawnzers.in with your Order ID and return request ID.

Q24. Will I get a full refund for a returned fashion item?

A: Yes, a full refund of the product price is given for eligible returns. Convenience fees, COD charges, and gift wrap charges are not refunded. Shipping charges are refunded only if the return is due to Drawnzers' error.

Q25. My return was rejected after quality check. Why?

A: Returns are rejected if the item shows signs of being worn, washed, tags removed, or is not in original condition. You will receive a notification with the reason, and the item will be returned to you. You can escalate to grievance@drawnzers.in if you disagree.
