Pre-Purchase

Q1. How do I find the right foundation shade on Drawnzers?

A: Use the Shade Finder tool on the product page (available for select brands). You can also filter by skin undertone (warm, cool, neutral) and coverage level. Reading customer reviews with photos helps. Many brands also offer shade sample sets.

Q2. Are all beauty products on Drawnzers 100% authentic?

A: Yes. All beauty products are sourced from authorized brand distributors and licensed sellers. Drawnzers has a strict anti-counterfeit policy. If you suspect a counterfeit product, report it to support@drawnzers.in with photos.

Q3. Are there cruelty-free and vegan options available?

A: Yes. Use the 'Cruelty-Free' and 'Vegan' filters on the Beauty & Skincare category page to find certified products. Certifications (PETA, Leaping Bunny) are displayed on eligible product pages.

Q4. How do I know if a skincare product is suitable for my skin type?

A: Each product listing displays suitable skin types (oily, dry, combination, sensitive, normal). Key ingredients are listed and highlighted for common concerns (acne, pigmentation, anti-aging). We recommend patch testing all new skincare products.

Q5. Can I buy prescription skincare products (retinoids, hydroquinone) on Drawnzers?

A: Only OTC-strength versions are available without prescription. Prescription-strength skincare requires a doctor's prescription — these are not sold on Drawnzers. Consult a dermatologist for prescription skincare.

Ordering & Delivery

Q6. How are liquid beauty products packaged to prevent leakage?

A: Liquid products (serums, toners, face washes) are sealed in leak-proof pouches with bubble wrap. Glass bottles (serums, perfumes) are additionally foam-padded. If a product arrives leaking due to inadequate packaging, report within 24 hours for a full replacement.

Q7. Do beauty products come with the expiry date visible?

A: Yes. We verify that all products have clearly visible manufacturing and expiry dates. If a product arrives without a visible expiry date, contact support immediately.

Q8. Can I buy beauty products as gifts with gift wrapping?

A: Yes. Gift wrapping (₹49–₹99) and personalized gift messages are available at checkout. Beauty gift sets are also available as pre-curated bundles.

Returns & Refunds

Q9. I am allergic to an ingredient in the product I received. Can I return it?

A: Allergic reactions are a valid return reason, but Drawnzers requires a medical prescription or doctor's note confirming the allergy. Report within 10 days of delivery with the medical document. Drawnzers strongly recommends patch-testing all new products.

Q10. I received a foundation in the wrong shade. Can I return it?

A: Yes. Wrong product (wrong shade) is a valid return reason. Initiate a return from 'My Orders' with the reason 'Wrong product delivered'. A full refund or correct shade exchange will be arranged.

Q11. The perfume I received smells different from the tester. Is it fake?

A: Batch variations in fragrance concentration can cause slight differences in intensity. However, if the scent is drastically different, it may indicate a quality issue. Contact support with photos of the product batch code and we will investigate with the seller.

Q12. I opened the serum and it didn't suit my skin. Can I return it?

A: Opened and used skincare products are generally non-returnable for hygiene reasons, except in cases of allergic reaction (with medical proof) or defective/expired product. We recommend patch testing before using any new skincare product.

Q13. How long does a beauty product refund take?

A: Approved refunds are processed within 5–7 business days to the original payment method. Wallet credits are issued within 24–48 hours. Perishable/expired product refunds are processed within 48 hours after photo verification.
