Pre-Purchase

Q1. How do I verify the purity of gold jewelry on Drawnzers?

A: All gold jewelry carries BIS Hallmark certification. The hallmark includes the purity (22KT, 18KT), BIS logo, jeweler's mark, and year of marking. The certificate is provided with the product. You can also verify the hallmark at any BIS-licensed testing center.

Q2. Is diamond certification provided with jewelry?

A: Yes. Diamond jewelry listings specify the certification lab (IGI, GIA, SGL). The certificate is physically included with the product. The certificate details (carat, cut, colour, clarity) match the product listing.

Q3. Are the jewelry images accurate in terms of size?

A: Product images may make jewelry appear larger. Always check the dimensions listed in the product details (e.g., pendant size: 15mm × 12mm, chain length: 18 inches). If in doubt, contact our jewelry support team.

Q4. Can I get jewelry gift wrapped?

A: Yes. Premium gift packaging (velvet box, ribbon) is available for all jewelry at ₹99. Select at checkout.

Delivery

Q5. How is jewelry shipped safely?

A: Jewelry is shipped in tamper-evident, inscreeet packaging. Items above ₹5,000 are insured during transit and require OTP delivery + customer signature.

Q6. How long does jewelry delivery take?

A: Metro cities: 3–5 business days. Tier 2/3: 5–8 business days. Remote areas: 8–14 business days. Custom jewelry: 2–4 weeks.

Returns & Refunds

Q7. I received gold jewelry but the hallmark is not visible. What do I do?

A: Report immediately via support@drawnzers.in or the app with photos. This is a serious quality concern. Drawnzers will investigate with the seller and arrange a full refund or certified replacement within 10 business days.

Q8. Can I return a necklace I wore once?

A: No. Worn jewelry is not eligible for return. Returns are only accepted for defective, damaged, or wrong product. For hygiene and quality reasons, worn jewelry cannot be restocked.

Q9. How long does a high-value jewelry refund take?

A: Jewelry above ₹10,000 requires physical inspection before refund, which may take 7–10 business days. Total refund timeline: 10–14 business days.
