Jewelry products are subject to special policies due to their high value, certification requirements, and delicate nature.

2. Product Authenticity & Certification

2.1 Hallmarking & Certification

- All gold jewelry sold on Drawnzers carries BIS Hallmark certification (mandatory for gold jewelry in India).
- Silver jewelry is sold with purity certification (925 Sterling Silver, 999 Fine Silver).
- Diamond jewelry comes with IGI, GIA, or SGL certification as specified in the listing.
- Gemstone jewelry includes gemstone certification from recognized labs where applicable.

2.2 Purity & Weight

Gold and silver jewelry listings clearly state the metal purity (22KT, 18KT, 14KT for gold; 925, 999 for silver) and net weight in grams. Diamond weight is listed in carats. Customers are advised to verify these details against the certificate provided with the product.
