Pre-Purchase

Q1. How do I choose the right size for a football?

A: Footballs are sized by use: Size 3 (kids/training), Size 4 (youth), Size 5 (standard adult/competitive). The size and recommended age/use are listed on each product page.

Q2. Are protein powders on Drawnzers genuine?

A: Yes. All nutrition supplements are sourced from FSSAI-licensed manufacturers. Lab test certifications are displayed on eligible products. Look for 'Lab Tested' badge for third-party tested products.

Q3. Does Drawnzers sell cricket equipment suitable for professionals?

A: Yes. Both recreational and competition-grade cricket equipment is available. Professional-grade equipment (e.g., Grade 1 English Willow bats, SG tournament balls) is clearly labelled. Grade specifications and player level recommendations are listed.

Delivery

Q4. How is a treadmill delivered?

A: Large fitness equipment like treadmills is delivered by specialized logistics. Delivery is to the doorstep/ground floor. Installation service (booking required separately) includes room-of-choice placement and setup. Delivery takes 5–10 business days in metro cities.

Q5. Is free shipping available on sports products?

A: Yes. Free shipping on all orders above ₹999. Orders below ₹999 attract a shipping fee based on weight and pin code.

Returns

Q6. My yoga mat has a strong chemical smell. Can I return it?

A: A mild rubber or plastic smell is normal for new yoga mats. An extremely strong chemical odor that persists after airing for 48 hours may indicate a quality issue. Contact support with photos within 10 days.

Q7. I used my running shoes for 3 days and the sole started peeling. Is this returnable?

A: Sole peeling within 10 days of purchase is a manufacturing defect. Contact support with photos and a return will be processed. This falls under Drawnzers' defect return policy.

Q8. Can I return opened protein powder?

A: No. Opened nutrition supplements are non-returnable unless the product is expired, damaged, or counterfeit (with supporting evidence).
