SECTIONS IN THIS FAQ

1. Pre-Purchase (4 Questions)
2. Delivery (1 Questions)
3. Returns & Safety (3 Questions)

Pre-Purchase

Q1. How do I ensure a toy is safe for my child's age?

A: Every toy listing displays the age recommendation (e.g., '3+ years'). Always select toys appropriate for your child's age. For children under 3, avoid toys with small parts (choking hazard warning is displayed). Check for BIS certification (IS 9873) on all toys.

Q2. Does Drawnzers sell educational toys?

A: Yes. Drawnzers has a dedicated 'Educational Toys' section with STEM toys, learning games, art & craft kits, and interactive learning tools categorized by age group and learning outcome.

Q3. Are all toys BIS certified?

A: Yes. As per Indian law, all toys must carry BIS certification (IS 9873 series). Drawnzers only lists BIS-certified toys. If you receive a toy without BIS marking, report it immediately to safety@drawnzers.in and BIS.

Q4. Can I find gender-neutral toys on Drawnzers?

A: Yes. Use the 'Gender-Neutral' filter in the Toys section. Drawnzers is committed to inclusive toy listings without gender stereotyping.

Delivery

Q5. How are fragile toys packaged?

A: Fragile toys (diecast cars, glass accessories, delicate figurines) are wrapped in bubble wrap, placed in foam inserts, and double-boxed. Drawnzers guarantees delivery of fragile toys in intact condition.

Returns & Safety

Q6. A toy I received has a sharp edge that could hurt my child. What do I do?

A: Stop using the toy immediately. Report the safety issue to safety@drawnzers.in with photos within 10 days of delivery. Drawnzers will issue a full refund and escalate the safety concern to BIS. This is treated as a critical safety complaint.

Q7. My child's toy stopped working after 2 days. Is this returnable?

A: Yes. Malfunction within 10 days of delivery (for electronic/battery-operated toys) is a defect. Initiate return from 'My Orders' with a description and photos/video of the malfunction.

Q8. I received an incomplete board game (missing game pieces). What do I do?

A: Report missing pieces within 10 days via 'My Orders'. Drawnzers will arrange a complete replacement or supply the missing pieces depending on the seller's ability to do so.
