Pre-Purchase

Q1. How do I choose the right food for my dog?

A: Filter by breed size (small, medium, large), age (puppy, adult, senior), and dietary need (grain-free, weight management, sensitive stomach) on the pet food listing page. Brand-recommended feeding guides are displayed on each product. Consult your vet for specific dietary requirements.

Q2. Are prescription pet diets available?

A: Prescription diets for specific medical conditions (kidney disease, diabetes, food allergies) are available but may require uploading a vet prescription at checkout for certain products. This is indicated on the product page.

Q3. Is the pet food sold on Drawnzers genuinely branded?

A: Yes. All pet food brands on Drawnzers are sourced from authorized distributors. Royal Canin, Pedigree, Whiskas, Drolls, and all other listed brands are 100% authentic.

Delivery

Q4. How are large bags of pet food shipped?

A: Large bags (10kg, 20kg) are shipped in reinforced double-walled packaging to prevent tears during transit. Wet food and refrigeration-required items are shipped with insulated packaging and cold packs.

Returns

Q5. My dog refused to eat the food I ordered. Can I return it?

A: Unfortunately, food refusal is not a valid return reason as it is a personal preference of the animal. Returns are accepted only for expired, damaged, or wrong products. We recommend starting with a smaller pack if trying a new brand.

Q6. The pet food I received expired last month. What do I do?

A: Do not feed expired food to your pet. Report within 24 hours with a photo of the expiry date. A full refund will be processed within 48 hours and the incident will be escalated.
