Pre-Purchase

Q1. How does Drawnzers authenticate luxury products?

A: Every luxury item is authenticated by Drawnzers' in-house luxury authentication team and/or third-party certified authenticators. Authentication includes serial number verification, hallmark checking, brand identifier inspection, and material quality assessment. A Certificate of Authenticity (CoA) is provided with every purchase.

Q2. Are there luxury products available for rent or trial on Drawnzers?

A: Currently, Drawnzers does not offer luxury product rental. All luxury products on Drawnzers are for purchase only.

Q3. Is COD available for luxury products?

A: COD is not available for luxury products above ₹50,000 due to security reasons. Prepaid orders via credit card, net banking, UPI, or luxury financing options are accepted.

Delivery

Q4. How is luxury delivery different from standard delivery?

A: All luxury orders are delivered via Drawnzers' White Glove Delivery Service — uniformed, background-verified delivery associates, signature required, OTP mandatory, insured during transit, discreet packaging, and scheduled delivery slots at your preferred time.

Returns

Q5. I suspect my luxury watch is not authentic. What do I do?

A: Do not use the product. Contact luxury@drawnzers.in immediately with photos of the authentication certificate, product serial number, and suspected areas of concern. Drawnzers will arrange a third-party authentication at no cost. If found inauthentic, a full refund + 10% compensation is issued.

Q6. How long does a luxury item return take?

A: Luxury returns above ₹25,000 require physical inspection which takes 7–14 business days. Total refund timeline: 10–14 business days after inspection completion.

Concierge

Q7. What is the Drawnzers Luxury Concierge Service?

A: For purchases above ₹25,000, a dedicated luxury shopping assistant guides you through the purchase, answers detailed product questions, provides styling advice, and offers post-purchase support. Contact luxury@drawnzers.in to access this service.
